### Getting from the ticket gate to the bus terminal

- 

**Train station ticket gate**  
After you exit the ticket gate, look at the ground for instructions on how to get to the bus boarding area. Go straight ahead a short distance, then turn left and go out the north exit.
- 

**Full view of the terminal**  
When you go out the north exit, you will see the bus terminal right there. The taisha-zukuri style roof of Izumo Taisha Grand Shrine is impressive.
- 

**Bus guidance map**  
The Ichibata Bus runs as far as Hinomisaki, which has a superb cape view, after a stop at Izumo Taisha Grand Shrine.
- 

**Boarding the bus**  
Board an Ichibata Bus bound for Izumo Taisha Grand Shrine and Hinomisaki at boarding area 1, and head for Izumo Taisha Grand Shrine.

### Getting to tourist spots

Okuninushi, the Shinto deity of marriage, is the enshrined deity, so this shrine is always crowded with visitors hoping to increase their luck in finding a spouse. The shimenawa (sacred straw rope) at the Kagura-den is one of the largest in Japan!

There are rabbit statues placed here and there on the shrine grounds, so be sure to look for them.
