Getting from the ticket gate to the bus terminal

1 Train station ticket gate
 After exiting the ticket gate, go out the north exit on the right side. There are restaurants and shops in Enmusubi Square inside the station building.

2 Full view of the terminal
 When you go out the north exit, you will see the bus terminal right there. It has many people inside and around it, even on weekdays.

3 Bus guidance map
 There is a guidance map in front of boarding area 10. Look up your boarding area number based on your destination, then use the map to check the location of your boarding area.

4 Boarding the bus
 Gurutto Matsue Lakeline Bus, which departs from boarding area 7, does a circuit of tourist spots including Matsue Castle.

Getting to tourist spots

This is a museum known for its vast Japanese garden, roughly 165,000 square meters in size. It holds planned exhibits of modern Japanese paintings by artists including Yokoyama Taikan.

See the sights on a boat navigating the moat around Matsue Castle, a national treasure. In about 50 minutes you can make a loop around the castle and see the castle town from the water.

This is the only castle tower still in existence in the San'in region. It has been designated a national treasure. From the top of the castle tower, everything from the castle town below to Lake Shinji is visible.
