Getting from the ticket gate to the bus terminal

Train station ticket gate

Go from the second floor, where trains arrive, to the first floor. There is only one ticket gate on the first floor. Exit the ticket gate, then go out the north exit visible to your right.

Full view of the terminal

Following the map you see when you go out the north exit, walk 160 meters to the left, where you will find the bus terminal.

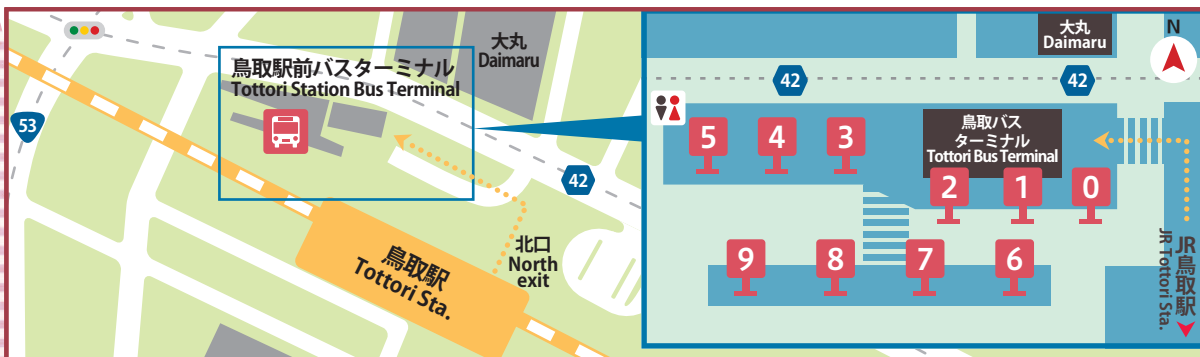

Bus guidance map

There is a bus guidance map in the entrance to the bus terminal. Look up your boarding area number based on your destination, then use the map to check the location of your boarding area.

Boarding the bus

To go to the Tottori Sand Dunes, board a bus at boarding area 0. Take either a fixed route bus or Loop Kirinjishi Bus.

鳥取砂丘 Tottori Sand Dunes

This is one of the largest sand dune systems in Japan, located in the San'in Kaigan Geopark. The view from the Umanose dune, 46 meters high, is the best part!

We also recommend seeing the sights on the back of a camel for a memorable experience.
