Yonago Airport

JR Sakai Line (30 min.) or bus that stops at the airport (25 min.)

## Getting from the ticket gate to the bus terminal

1

### Train station ticket gate

Go out the ticket gate and the exit will be straight ahead. As shown on the guidance map near the exit, turn left and the bus terminal will be visible.

2

### Full view of the terminal

There is a bus terminal right next to the station exit. The bus information desk is near boarding area 1.

3

### Bus guidance map

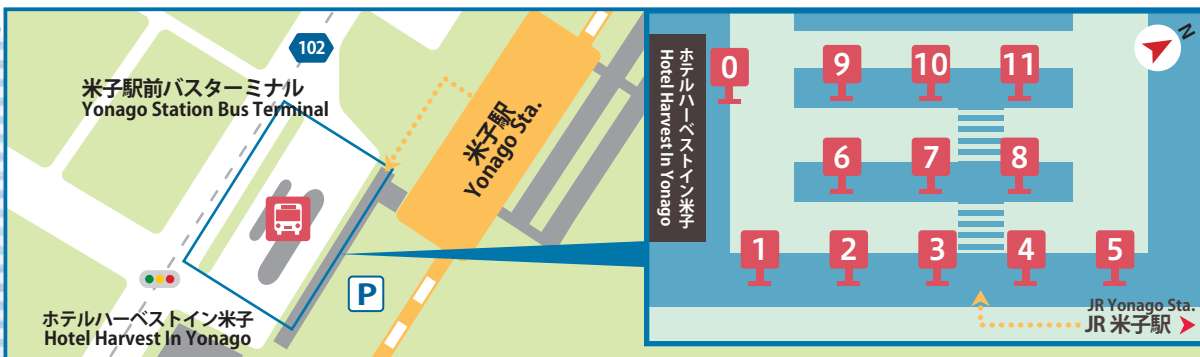

There is a guidance map in front of boarding area 5. Look up your boarding area number based on your destination, then use the map to check the location of your boarding area.

4

### Boarding the bus

The Daisen Loop Bus, which makes a circuit of Daisenji Temple and other tourist spots, arrives and departs from boarding area 4.

[Boarding area 5] Shuttle bus (25 min.)

とっとり花回廊  
Tottori Prefectural  
Flower Park

A short walk

大山  
Mt. Daisen

### とっとり花回廊 Tottori Prefectural Flower Park

This is one of western Japan's largest flower parks. It has a 1 km circumference circular walkway with a roof. The winter lighting display from late November to late January has an excellent reputation.

Mt. Daisen is the highest peak in the Chugoku region. Its seasonal scenery is charming, including new green leaves in the summer that change color in the autumn.
